

Wesley Gilliland Named Associate at Havens Limited

Wesley Gilliland, a 2010 graduate of Capital University School of Law, has joined the Columbus law firm of Havens Limited, 141 E. Town St.

Gilliland graduated cum laude from The Ohio State University's Fisher College of Business in 2007 and received the Presidential Merit Scholarship at Capital, where he was ranked second among students in the 2010 graduating class.

“We’re happy to have Wesley joining us as his significant experience as a top student at Capital will be put to good use,” says Jim Havens, president of Havens Limited. “Our varied areas of expertise, including real estate litigation and development law, will allow Wesley to best use the talents that he built while clerking and serving as an extern in the Southern District Court of Ohio.”

Gilliland was an extern with Judge Algenon Marbley of the United States District Court for the Southern District of Ohio, during which he wrote judicial orders and accompanying opinions for several federal court cases. He was also a member of Capital’s Law Review. A Columbus native, he attended Bishop Watterson High School.

Havens Limited was founded by Jim Havens in 1981 and specializes in real estate-title litigation and development-construction law. Today the firm represents and litigates direct claims on behalf of most major title insurance underwriters and those they insure. Havens Limited focuses its litigation practices on real property issues affecting insurers, lenders, construction companies, sellers, buyers, developers and managers.
